

Delivery Hero’s Global Success Relies on Local Data Compliance Using AWS

[View All Customer Stories](#)

“AWS has allowed us to remain compliant [with GDPR] because the data would remain within the region.”

Shery Brauner

Director, Site Reliability Engineer

Hi, I can connect you with an AWS representative or answer questions you have on AWS.

An online food delivery firm spanning 70 countries across 4 continents, [Delivery Hero](#) needs to handle data in accordance with legislation in the regions where it operates. Using Amazon Web Services (AWS), says director of site reliability engineering Shery Brauner, gives Delivery Hero a range of tools and technologies to help it manage data securely and deliver the customer-centric service the company is famous for.
