Druva Uses AWS Enterprise Support to Deliver Innovation with Speed

Hi, I can connect you with an AWS representative or answer questions you have on AWS.

Need more info? Highlight any text to get an explanation generated with AWS generative AI.

Druva's new AI product, Dru, is built entirely by AI. Dru is the first AI-powered vice president (VP) of Product-Generative AI.

Druva was able to launch Dru within 3 months with the help of [AWS Enterprise Support](#) and its dedicated account manager (TAM). Using AWS, Druva experienced an 80 percent reduction in resolution time.

2

related issues. This frees up time for Druva’s team to focus on innovation and deliver the latest and greatest technology to its end customer.

AWS Services Used

AWS Enterprise Support

AWS Enterprise Support provides you with concierge-like service where the main focus is helping you achieve your outcomes and find success in the cloud.
