tecRacer Uses Amazon Bedrock to Help Clients Innovative Securely

[tecRacer](#), an Amazon Web Services (AWS) Partner, supports insurance industry customers with infrastructure services and generative artificial intelligence (AI) solutions on AWS. It uses [Amazon Bedrock](#) to access a range of models such as Titan and Claude, and helps ensure compliance with regulations by keeping data private and secure.

Hi, I can connect you with an AWS representative or answer questions you have on AWS.

tecRacer's insurance industry clients put a premium on compliance. So when the Amazon Web Services (AWS) Partner looks to explore the possibilities of customer data isn't shared. Using [Amazon](#) such as Titan and Claude, while keeping da head of Amazon Connect at tecRacer, talks about how generative AI is making proactive problem solving quicker and easier.
